PROFILE

Confident young professional with a passion for learning and development. Skilled in developing strong internal and external relationships to facilitate collaborative achievement of high priority goals. Confident in ability to thrive in a fast-paced setting and leverage skills in **Flutter, C/C++, Dart, php, Firebase** and **SQL** to enable team success. Committed to lifelong learning and going the extra mile to contribute to facilitate continuous improvement, with **1+ year** of App development experience.

INTERNSHIPS

mini-trips.com

June 2023 – August 2023

App Developer

Achieved a seamless transition from website to mobile app for Mini-Trips.com, enhancing user travel experiences. Measured by proficiently integrating **APIs**, designing a user-friendly app, and implementing robust authentication mechanisms. Executed tasks with expertise in **Flutter, Dart, Android development, Cloud Firestore, and Firebase**.

Ahali Technologies Pvt. Ltd

June 2023 – July 2023

Flutter Developer

Achieved the development of a user-centric social media app by utilizing **Flutter and Android development skills**. Measured by users effortlessly sharing memories, setting personal goals, and connecting with friends for meaningful interactions. Implemented data security with **Firestore Authentication** and efficient **data management via Cloud Firestore**, enhancing user engagement and connectivity. This project exemplifies my dedication to crafting mobile apps that prioritize user experience and engagement.
